INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

App. #11902.

August 10, 1907.

Avery J. Waters,

Laurel Bloomery,

Tennessee.

Sir:-

Replying to your letter of August 6, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 32,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

There are no lands to be allotted in connection with this fund.

Very respectfully,

Special Commissioner.

My mother was enrolled in Saline District in 1851. My fathers and mothers names were Do-choo-la-nah and Jen-nie. I made a mistake when I made out my application. My mother was enrolled I think with her parents in 1851.

My grandparents on my mothers side were Ah-hyuh-he-nuh or Swimming and Gah-tah-nih. My grandparents on my mothers side were enrolled I think in Saline District in 1851. My grandparents on my mothers side came from the Old Nation. My grandmother on my mothers side was born after her parents came to the Indian Territory. None of my ancestors were Old Settlers. My ancestors have always been with the Cherokee tribe. I was enrolled and drew the Strip Payment in 1894.

My mother was called Sally in English.
Cherokee name Sah-lie Sha-nom.
I dont know either of my grand parents on fathers,side.
On mothers,side my grand mother was Sa-lie Sha-nom
They emigrated West before I was born,I dont know in what year.
I am a full blood Cherokee,do not speak any english,and do not know much about my ancestors who were all full blood Cherokees.
I hope you will be able to find me identified with the Eastern Cherokees,and that I will be allowed to participate in this fund.

I was told that he lived in Flint. Ches-quah-dee-gah-geh may be the name. I don't kno my father's father's name. I don't know the name of my father's mother, but think it was Sal-lih or Sallie. My mother's maiden name was Ju-sun-tees-key. She had a brother by the name Ta-tes-ky or Tah-tas-key. Another named Da-gun-wak-sey. They lived in Flint District. It might be Da-gun-walk-sey. Another brother named Ben/Guance in Indian. All lived in Flint District. A sister named A-sin-ni; or A-chin-nih. My mother's mother's name was Sarah. De-sun-ste-ske, was my mother's father's name. I don't kno any of my grandparents brothers and sisters. I had a brother who was a baby when we drew money, Gah-gun-nah-gees-ky, or Gah-nah-dees-ky. My grandmother had a brother Ah-nah-loo-gees-kee.
I had a cousin named Ja-key. He lived in Flint too. My grandmother told me that we were Emigrants and we never associated with any other tribe of Indians.

No. 11933

Sarah C. Baldridge, after being first duly sworn, deposes and says:

I am 67 years of age; was born in Union Co., Georgia. I claim Cherokee Indian blood through my father, John Hutchins. I first heard of my Indian blood 38 years ago. A cousin of my father told me. Her name is Grannie Ward and she lived in the Indian nation. I have never received any Indian money from the government and never tried to get any before this time. I left Georgia in 1863. In 1851 I was living in Georgia. I think some of the Indians were paid money at that time but I did not get any nor did any of my people. I went to Illinois from Georgia, then to Missouri and from Missouri to Kansas. I lived in the Indian country one summer. I never tried to get xxx an allotment and never went before the Dawes Commission. My father was born in Habersham County, Ga. I never saw my grandparents. My father parents lived in Habersham County, Ga. My grandfather's name was Phillip Hudgins.

Emma Inscore,

Madam:-

Replying to your letter of June 28, 1907, you are advised that your application, and the application for your minor children, have been received and placed on file.

The applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 27,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

When your application is reached for consideration you will be notified if there is anything further required in connection with the same.

Very respectfully,

Special Commissioner.

Margaret L. Long being first duly sworn, deposes and says:

That I am 51 years of age and live about 3 miles from Ooltewah, Tenn. I claim my Indian descent thro my mother and her mother. My grandfather on my mother's side was a full blooded white man. I don't know how much Indian I am. I don't know how much Indian my mother claimed. My ~~xxxxxxxxx~~ grandmother was ~~xxxx~~ born and raised in N. C. I think it was near Boone, N. C. but I don't know just exactly where. My grandmother and grandfather moved to Tenn. when my mother was quite small. They moved to Johnson Co. I dont know that any of my people ever lived with any Indian tribe. I am Indian and white and am recognized as a white person. My husband is a white man. My mother's ~~brothersxand~~ sisters are: Louvonia Turner, never married; Margaret Turner who married Snodgrass, Eliza Turner who married Butler, Mary Turner who was my mother and who married Reece. She was married in 1855. My mother's brother was Thomas Turner. He is living at Bristol, Tenn. My mother is living at Elmmfield. One of my great uncles was Burton Johnson. I have been to his house in N. C. but I was so small I don't remember just the part of N. C. My mother had another brother by the name of Abraham Johnson. There was an Abraham Johnson, my great grandfather and an Abraham Johnson my great uncle. I don't know of any of these parties ever being on any Indian roll. They never had any Indian names that I know of, always went by the names of Johnson and Turner. I don't know whether it was Abraham or Annie Johnson who claimed the Indian blood but I think it was Abraham. My mother and grandmother were living in Johnson Co., Tenn. in 1835 and 1851 - lived there until they died. My mother when I would ask her anything about it would say that she got her Indian blood through Pocohontas. Don't know where Pocohontas lived, but it is the same Pocohontas we read of in history.

Please state clearly your reasons for thinking that you are a descendant of the Cherokees?

Sir:-

Replying to your letter of August 16, 1907, you are advised that it is not necessary for you to file a supplemental application for your minor children, as your wife has file an application in their behalf.

The applications have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Commissioner of Indian Affairs,

Washington, D. C.,

My Dear Sir:-

A constituent of mine, Mr, C. W. Shelton, of Volney, Grayson County, Virginia, made application (sometime since), to participate in the distribution of the Cherokee fund.

This claim was, as well as I recall, on behalf of his wife, Rosa Shelton, she claiming descent from an Indian Cherokee Chief. I would like to know whether the merits of this claim have been investigated, and whether the investigation, if made, has reached that point that you can inform me whether this party will be entitled to participate in this fund.

Please write to me at Rocky Mount Virginia.

Yours very truly,

E. W. Saunders.

Appln. No. 11941.

James J. Blackburn, -- being duly sworn, deposes and says:

My name is James J. Blackburn. I was born in 1844. in Gilmore Co. Have always lived in Georgia. My father died when I was about 3 years old, and we went to live with my grandfather. I never lived with the Indians, but my grandfather and mother lived among them or in the neighborhood with them. I claim through my mother. My mother's name was Fanny Lucinda Brown before marriage, and Blackburn after marriage. If my mother was enrolled I never knew it. I reckon old mam Blackburn was enrolled. My mother visited the Indians and they visited her. My mother got her blood from her father, Jimmy Brown. He was living in Banks Co. in1851. He has been dead 30 odd years. Fisher Brown was the father of Jimmy Brown and was a full-blood Cherokee Indian. My mother had one brother James but he died when 7 or 8 years old. If Jimmie Brown ever lived anywhere else but Georgia I never knew it. I lived with him 19 years, and never heard him mention it. My people have always been recognized as white and also been called Indians. I never heard my people talk about the treaties. I do not know whether they were parties to the treaties of 1835-6 and 1846.

My name is James . Smith and I reside at Mt.

relationship to the Cherokee Indians through my f ther,
Willia Tyloe Smith, who was a quarter blood Cherokee Indian.
He claimed through his mother, Ellen Smith, who was a half
blood Cherokee Indian; she claimed through her mother, Annie
Kirk, who was a full blood Cherokee Indian. My mo her and
grandmother have told me of my connection and also about
living among the I dians; my grandmother has told me that she
remembers when the Indians were driven off and my f ther went
as far as Chattanooga, Tenn. with them. I remember some of
the Indians coming back to this country and they could stop
at our house. My grandmother could speak the Indian language
and my father could to some extent. The Indians recognized
my grandmother as one of their tribe. I know of no enrollment
and do not know of any people ever getting any money or lands
from the Government. I do not know where my f ther was born,
but I think it was at Greenville, S. C. My father was a child
when he moved over into Habersham County, Ga. My grandmother
had one brother, Dan Smith, and he stayed among the Indians
until they were taken away. I cannot tell why he didn't go
west with the Indians; he married a full blood white woman and
remained in this country. My father had two sisters, Nancy
Smith and Betsy Smith, but they stayed in the mountains and died
there. None of them went West, as far as I know, everyone
died. My people here always associated as white.

My name is Ransom A/ Simmons. I am 68 years old. I live in Banks County, Ga. I have lived here 35 years, before that in Franklin Co., N. E. part of Ga. I was born in Jackson Co. In 1851 I was in Habersham Co., I was not enrolled at that time we knew nothing about it. I never heard ofthe enrollment. I never got any money from the Goverment. Never tried to get any. I claim Cherokee about 1/8. I claim through my mother Catherine Smith, before marriage. She was born in Hall Co. She was not enrolled as she knew nothing about it. I n ver lived with the Indians and never attended their councils. I have always been recognized as a white man with Indian blood. I have always voted. My mother claimed through her father, Samuel Smith, his mother was Annie Marr, a full-blood. Samuel Smith lived here in Hall Co. I do not know that he was ever enrolled. He died in 72. He was an old man at his death. My folks always told me I had Indian blood. I do not know that Samuel Smith ever lived anywhere except here in Georgia. I never heard anyone say that he ever lived anywhere else. I don't know that Samuel Smith ever lived withthe Indians. I was never known by any other name. He was sometimes called Samuel Marr. They were uneducated and never knew anything about the enrollment. I do not know any one who knows any more about my case than I do do. I am a second cousin to James C. Smith and we both claim Indian blood through the same line. (11947)

Baldwin, Georgia.

Sir:-

Replying to your letter of September 2, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

My name is Larry Cash. I am 52 years old. I have always lived in Georgia. I have always known Eliza Scott. I have known her ever since her birth. She claims Indian blood. I have heard it from her grandparents. Cherokee Indian blood from her father. His name was Bird Cash. He was never enrolled. He never got any money from the Government. Old man Wm/ Warford owned Eliza SCOTT's father. Dan Cash was a full-blooded Indian, and Charles Cash was half Indian. Eliza Scott's mother was a slave. Reuben Jerden owned her. She was a slave from her birth. I am an uncle of Eliza Scott's. I reckon I have a claim in but I did not get a notice.

My name is Wm. P. Thorne. I live at Tahlequah. I am guardian for Jacob L. and Walter Thorne, my children who claim through their mother who is dead. They are enrolled by the Dawes Commission #25225, and 25226.
I think these childrens' mother was an Immigrant Cherokee. Her name was Emma B. Woodall. She was not living in 1851. Her father's name was Jacob H. Woodall. He was living in 1851. I could not say whether he had any children living then or not. His wife was name Anna Woodall. She had a brother by the name of Robert. I don't know what Dist. they were living in 1851. I suppose in Delaware Dist.
I don't know whether Ann Daniel had any sisters or not. She had a brother Robert Daniel. A brother named Ezekiel. She had a sister Nicy.
Ann Daniel's mother's name was Mary Daniel. In 1851 Ann Daniels was living with her mother. She had a brother named John.
See Del. 35

Emma B. Woodall's father's name was Jacob H. Woodall. He had a brother named Isaac, one named Abral, and a sister named Nergy, and a sister named Nancy. See G. S. 236.

Madam:-

Replying to your letter of April 13, 1907, you are advised that this Office is unable to say, at the present time, just when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, or the amount each successful claimant will receive, as none of these applications have yet been taken up for final determination.

Mrs. Laura Clark,

Madam:-

Replying to your letter of August 9, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

J. B. Young, being duly sworn, deposes and says:

My name is J. B. Young. My age is 77 years. I live in Craig County, Oklahoma. I have not always lived in the Territory but came from Kansas 16 years ago. I know Laura Clark. She is about 44 years old. She claims to have Indian blood. Mrs. McDomald, this lady's grandmother said that she was an Eastern Cherokee and came from Georgia. She was not enrolled by the Dawes Commission and did not try to be. I don't think she has ever been enrolled. She claims through her mother, Margaret Puffer, or Margaret Smith before marriage, or Bolton. I don't think that she was enrolled, because her people were indifferent to the enrolling, but the enrolling officer told her, after looking at her papers, that if she would come bakcin the morning he would enrolleher, but her father ob ected and would not look after it. Her grandmother was Lucinda Smith before marriage, and Lucinda McDonald after. She lived on the East border of Kansas. It was about 1851 or 1852. I don't know whether she ever got any money from the Government. She came from Georgia to Missouri. I don't know whether they are Old Settlers or Emigrants. I frequently heard them speak of the treaties of 1835-6 and 1846 and claim to be parties to them. I never heard of their joining any other tribe. Annie Shoemake and John Shoemake were kin to her parents. Margaret Puffer had a sister Luvicy Brown; her husband was George Brown. I do not know any other broethers and sisters.

Mary J. Catron,

Wauhillau,

Oklahoma.

Madam:

I am in receipt of your letter of September 1, 1909, making inquiry as to your rights as an intermarried white citizen of the Cherokee Nation.

In reply you are advised that this office has nothing whatever to do with the enrollment of the Cherokees, either by blood or by intermarriage, for allotments of land or other tribal rights in Oklahoma.

Some confusion has arisen from the fact that there is a Mary Catron, of Tellington, Oklahoma, who has been enrolled for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, and I am under the impression that I wrote you, in response to a former letter, that you had been enrolled for participation in this fund. This was clearly an error, as from your own statement of not being a Cherokee Indian by blood you would not be entitled to share in this fund.

The matter about which you write in your letter of September 1, 1909, would more properly come before the Commissioner of Indian Affairs, Washington, D. C., or the Commissioner to the

Hon Guion Miller,
Washington D.C.

Dear Sir:-

In reply to your letter of Feb,13th, in reference to further proof of my Application,No,11991 for participation in the Eastern Cherokee fund,I will state that my Grand father on rather's side was an Eastern Cherokee,and I suppose lived in the Old Nation East in 1835 I dont know in what year he imigrated West.
My mother and her people were Old Emigrants.
Grang father's English name was Mankiller,
Cherokee name Ah-ne-ska-de-he,
My father s English name was also Mankiller
Cherokee name, Ah-ma-du-sah.
I dont know under which of the names he was enrolled in 1851,
My people were all full blood Cherokees,on my mothers side Emigrants and on Fathers,side Eastern Cherokees.
I have given all the information I know.
The full blood Cherokees usually had only one name,as that of Man-killer,and if either my father or grand father had more than one name I never heard of it.
And it may be possible that the Cherokee names have not been spelled exactly right,it is a very difficult matter to spell the Cherokee names and give the proper pronunciation.
I hope however that from what I have given you in this letter that you will be able to locate my father on the Eastern Cherokee Roll of 1851.
If there is any additional information necessary to establish my identity,I will try and make it as complete as possible.

Yours truly.

William Mankiller.
